

2021 OLD TOWN ART FAIR COVID-19 REGULATIONS AFFECTING ARTISTS

- Artists should only set up, check in and exhibit at Old Town if they are healthy and showing no signs of known COVID-19 symptoms (cough, shortness of breath or difficulty breathing, fever of 100.4 degrees or above, chills, muscle pain, headache, sore throat, new loss of taste or smell, or CDC-identified symptoms). If you have any of these symptoms, please do not come to the show, and call or text Joan to advise her. If in doubt, get a test! If positive, do not come.
- **Artists and their assistants will, if at all possible, receive a negative COVID-19 test within 72 hours of the event.**
- If an artist begins to feel symptomatic, please leave the show as quickly as possible, and call or text Joan at 312-909-9441 to advise her.
- **Masks are to be worn at all times while on the Art Fair grounds.**
- **Social distancing of at least 6 feet** should be maintained between non-household individuals.
- **Booths will be spaced 6' apart.** Sufficient space has been laid out for artists. Only those with a corner/end booth may spread out to the open end up to 6 feet, while maintaining the six foot separation from the booth on the other side.
- **Only one individual patron (shopper) or family of patrons should be in a booth at one time.** Others must wait outside the booth until it empties before entering. Spots will be marked to designate where people waiting should stand.
- **Frequently wash hands** with soap and water or hand sanitizer.
- **Frequently sanitize high-touch areas** of the booth. Reduce touching opportunities in the booth, such as by putting up “do not touch signs”, and by using touch-free payment technology. Sanitize between customers.
- Set up the artist’s booth so it reduces contact with others and chances for exposure, e.g., by blocking access until the booth is safe for another patron to enter.
- If traveling to Chicago from elsewhere, check the CDC’s travel guidance for best safety practices.
- **Temperature checks** will be conducted at entrances, artist check-in, and randomly throughout the show.
- Artists are advised to monitor themselves for symptoms of COVID-19 for at least 7 days after the event and, if symptoms develop, to test for COVID-19. Advise the Old Town Art Fair of a confirmed case of COVID-19.
